## **PARK DEVELOPMENTS...**

You will have noticed that areas are being cleared where possible and in keeping with a country park to encourage more birds to breed and wild flowers to develop, bird boxes have also been installed, and information boards have been erected.

We are in discussions with DMBC about additional play equipment, a new fitness trail (fitness equipment was taken out a few years ago as no one used them) additional hard walkways, and cycle routes.

In the near future it is planned that Campsall Park and Warren Park Askern could be linked and have a park warden present.

Poppies in the Park. We will be marking Remembrance Day 2019 by arranging "A Weeping Window" poppy display in the park.

The next Campsall Country Park event will take place on Sunday 19<sup>th</sup> July 2020. We are currently developing a calendar for 2020 with local photographs which will be sold later in 2019 to generate funds for the 2020 event.

## **FROM THE PARISH SURVEY - ACTION POINTS**

- Actively seeking extensive funding and collaborative approach to renewal of children's play area equipment to include a Fitness Trail in the Park
- Traffic Surveys in place on two 'hot spots'...
- ....followed by planning meeting with DMBC
- Evaluating 'reduce speed' signage
- Further litter bins sited (P 6)
- A19 Speed restriction Project - latest... (P 4)
- Extending variety of events at Village and community halls (see lots inside!)

## CAMPSALL OVER 50'S EXERCISE GROUP

There has been a lot of publicity recently about the inactivity of the population and in particular the older retired generation. A programme of exercises that has a focus on keeping all of our muscle groups active is of great benefit. It helps with balance and co-ordination and increases our muscle strength. This can help in preventing injuries that arise from falls.

A weekly exercise group meets at Campsall Village Hall with a professional instructor, who leads a programme of activities to keep our bodies fit. This is a friendly group, organised so that you can go at your own pace but which encourages you to go that little bit extra for your own benefit.

**Every Tuesday 9.45am to 10.45am.**

**Call Gill 01302 700149 or Elaine 01302 709600 if you'd like to join us.**

## PARENT AND TODDLER GROUPS

For those of you with small children, the Parent and Toddler Groups meet weekly during school term-time.

**Norton Community Hall on MONDAYS and at Campsall Village Hall on FRIDAYS – both from 9.30am to 11.30am.**

**All you need to do is turn up and introduce yourself to our lively Playleaders, Angela Williamson and Annette Temple-Billings and then join in the fun.**

**The Parent and Toddler Groups are not short of toys, but our dolls are desperately in need of new clothes. Are there any knitters or 'stitchers' out there who would be willing to make some for our toy babies from your left-over wool or fabric? New clothes for the dolls can be donated directly to the play-leaders or through Parish Councillor Jill Shaw (contact details on the back of this magazine).**

**The Awards for All-funded sessions have a particular focus on language development and physical activity and are free to users, although a very small donation is requested towards the cost of the children's healthy snack. Mums and dads, grandparents and childminders get chance to watch the children grow and learn in a safe environment, and to make new friends themselves.**

**CITIZENS ADVICE**

Citizens Advice is a registered national charity that has been helping people to solve their problems since 1939. Today, the types of issues we deal with have become more complex but the philosophy remains the same, which is to be there for everyone, to value diversity, champion equality and challenge discrimination and harassment.

The service is free, confidential, independent and impartial and offers general advice and specialist debt and benefits advice here in Doncaster with offices also at Stainforth, Thorne and Mexborough. Whether you are claiming Universal Credit, or are just generally struggling, you have a right to help with budgeting, debts, prioritising bills and understanding bank accounts. Ring 01405 741457 or 01302 846745 if you want to find out more or to make an appointment.

General advice is available at the offices and times listed below:-

**DONCASTER** – 5 Queensgate, Waterdale Doncaster DN1 3JN  
Thursday 10am – 2pm (information desk only) and Friday 10am – 1pm (drop in and appointments)

**MEXBOROUGH** – Adwick Road (behind New Surgery), Mexborough S64 0DB

Monday 10am – 1pm (drop in); Tuesday 10am – 1pm (drop in and appointments) and Wednesday 10am – 1pm (appointment only).

**STAINFORTH** The Hope Centre, Church Road, Stainforth DN7 5NS

Tuesday 10am – 2pm (drop in and appointments) and Wednesday 10am – 2pm (appointments only).

**THORNE**

5a Browns Lane, Thorne DN8 5AF

Monday 10am – 2pm (drop in and appointments); Tuesday 10am – 2pm (appointments only) and Wednesday 10am – 12.30 (drop in).

You can also call the Adviceline on Monday, Tuesday and Wednesday between 10am – 4pm on **03444 994137**.

The AdviceGuide self-help website is also widely used by the public and can be accessed via [citizensadvice.org.uk](http://citizensadvice.org.uk).

Citizens Advice relies on trained volunteers to keep the service operational and they provide advice in person at local offices, as well as by phone and via the internet including webchat.

If you are interested in volunteering at Citizens Advice, which I can personally recommend, please contact Henrietta Davis at [henriettad@citizensadvice-doncasterborough.org](mailto:henriettad@citizensadvice-doncasterborough.org) or telephone 01405 741457. The training is excellent as is the support provided to all volunteers and you will be providing an invaluable public service. There are many different volunteering opportunities available, and you will benefit from increased confidence, learning new skills and working as part of our lively team.

## The Old Bells Inn Campsall

Statement from  
Norton Parish  
Council

As a response to our Parish Survey which was taken in 2018 we received comments asking if we would ask the question what was going to happen to The Old Bells Inn on High Street Campsall? As we know The Old Bells Inn has been empty for 4 years and is awaiting a tenant to lease the building. We are very aware that the Inn has become an eyesore for all who live around it, and the public who pass by which I am sure many of us do every day.

The Parish Council felt that it was important for us to make a statement on the current position regarding the inn.

Criterion Asset Management maintains and secures the building on behalf of the Wellington Pub Company who are the owners of The Old Bells Inn for a large property concern called Reuben Brothers, based in London.

A meeting has recently taken place inside The Old Bells with members of the Parish Council, the property manager from Criterion Asset Management, a DMBC Councillor and Doncaster Council's Principal Planner of Design and Conservation to express the concerns on behalf of the local community.

We stressed the neglected appearance of the Old Bells Inn, and went on to remind them that The Old Bells is a much-loved historic Grade 2 listed building within our conservation village and is reputed to be the oldest coaching Inn in Yorkshire. It commands a dominant position on the High Street alongside the ancient Norman Church in the village of Campsall and we need something done to improve the outside appearance of the inn which would also help towards securing a tenant for the building.

The response received from Criterion Asset Management was that The Wellington Pub Company are very reluctant to agree to any work on the building until a tenant is in place. If and when a lease is agreed they will offer a reduced rent for the building to be repaired/re-decorated. The amount they are prepared to grant will depend on the amount of years a tenant would commit to on a lease. However, the figures involved are considerable. To rent or lease the building would be £27,500 per annum. The company does not wish to put the building up for sale.

Doncaster MBC have informed us that they have a policy on neglected buildings. In the first instance they have a duty to ensure that buildings are wind and weather-proof and secure against vandalism. Unfortunately, the legislation does not give them the powers to enforce the owner of a building to use it or keep it open. At this present time, they are of the view that the building is not in a state of sufficient disrepair to merit taking formal action under the Planning (Listed Buildings and Conservation Areas) Act 1990.

We will update our progress in the next Parish Council magazine.  
Cllr Eric Lowery

## AI9 SPEED RESTRICTION - UPDATE

All signing design is complete along the foundation design for the Driver Feedback Signs, works order has been raised and is with our Highway Operation Team at North Bridge Depot who will be carrying out the signing/foundation works.

Road marking design complete and issued to our lining contractor. I believe that the majority of materials required have been delivered and are in stock ready, the Driver Feedback Signs themselves have arrived and are with the supplier as they will be installing/commissioning them for us once the foundation is in place.

It is just a case of coordination now i.e. getting a start date, I'm hoping that providing there are no complications/hold ups etc. that works will start and be completed before the end of this financial year. Once I have received a start date I shall endeavour to update the parish council further.

## TOUR DE YORKSHIRE COMES TO NORTON PARISH !

The Tour De Yorkshire Stage 1 Men's Race Doncaster to Selby a distance of 178.5 kms will take place on **Thursday 2<sup>nd</sup> May 2019** traveling through Campsall and Norton

The Tour De Yorkshire is scheduled to leave Doncaster Market Place at approx. 13.30 and arrive with us approx. 15 minutes later coming through Askern, then up Churchfield Road and around Campsall Corner, along Ryecroft Road, Kirk Smeaton, Womersley, and onto East Yorkshire (Start time is yet to be confirmed)

Before the race arrives, there will be events taking place - past riders will be around to talk with the crowds, there will be a caravan parade - all for everyone to enjoy before the race riders arrive.

We want to encourage everyone to decorate our area especially along the route with bicycles, bunting, banners, flags, land art in the theme colours of **blue and yellow**.

The sponsors will be traveling the route two weeks prior to the race to identify the best decorated homes, land art, businesses and villages for the TV crews and the helicopter pilot to identify for screening worldwide on the race day.

Several prizes - including travelling the route inside one of the teams sponsor cars on the race day, signed official prints of the main riders, tee shirts and many more items will be awarded as prizes.

**Decorate our community and ensure the race receives a stand out welcome!**

## MORE EVENTS, HAPPENINGS AND ACTIVITIES

### FOOD, FELLOWSHIP and FUN

Last October, Campsall 4A Trust held its first monthly Lunch Club at Campsall Village Hall, starting with just 12 people for a trial run. Following a discussion, those present decided that a fixed donation of £5 per head would be appropriate, to cover the cost of ingredients.

Most of the venue costs are covered until August 2019 by a portion of the grant from Awards for All, which mainly supports the parent and toddler groups at Campsall Village and Norton Community Halls.

Word has spread and numbers are increasing. In December, 25 Golden Oldies and Lunch Club guests shared a 5-course Christmas Dinner prepared by just 3 volunteers, followed by a Goldies session of Christmas songs and carols and a visit from our local Santa Claus.

We now need more volunteers to make the activity sustainable. Are you able to give a few hours once a month, or even occasionally? Ideally, we'd like a band of volunteers – both male and female - willing to take turns as necessary or step in when cover is needed. Thanks to those who have helped out so far. You really made a difference.

If you'd like to help, please phone Brenda McLaughlin on 708058 or Jill Shaw on 700003.

## The Litter Squad

Once again, the Litter Squad has been out and about, even in this very cold weather. Are we mad or just enthusiasts?!

I am very grateful to those people who put their litter in the bins provided, and to those who pick up litter when they are out and about.

Can I say again that we must all think about the harm litter does to the environment and to wild life? It doesn't just look unsightly, it is also very damaging to small animals and birds. It can also block drains causing flooding.

Fly tipping is also a problem. If you see any, it can be reported to D.M.B.C. who will come and remove it. For those of you with a 'smart' phone there is a D.M.B.C. app that can be used. Otherwise their phone number is 01302 736000.

In order to help us put our litter in litter bins I am arranging, through The Parish Council, to have more bins placed in areas where we think they are needed. So far, we now have a new bin at the top of Priory Road in Norton, also one on the Back Lane Norton, opposite the entrance to the footpath to Broc-o-Bank. Other sites suggested are Norton Common Road near the bus stop, at the entrance to Lovers Walk on Suttonfield Road, Poets Corner Campsall, and on Spittlerush Lane near the allotments. If there is anywhere else that you think one is needed please contact me.

Thank you.

## CARING FOR THE ENVIRONMENT

**Norton Parish Council's Litter Squad and NORTON JUNIOR SCHOOL make a difference!**

The Year 6 pupils at Norton Junior School have been studying the catastrophic effect of plastic on our world. As a result, they have designed a three-fold leaflet called "PLASTIC WORLD" that demonstrates their mature and compassionate attitude to this topic.

Extracts from the leaflet are shown below:

### What did Year 6 do to help?

On Monday 19<sup>th</sup> November, the Year 6 team went out into the Campsall woodlands and we all played our part by picking up all the litter in the top part of the woodlands. We still can't believe the shocking results and how much we collected! Not only is this demolishing the woodlands, it's killing off our precious animals!

During the litter pick we found a shocking result of 782 pieces of rubbish – which is a lot for that small area of woodland. There were 17 glass bottles, 121 plastic bottles, 328 pieces of other plastics, 171 pieces of textiles and 109 pieces of paper and cardboard!

As you can tell that's a lot of rubbish but we wouldn't have to tell you if people would find a bin to put the litter in.

### Plastic Problems

Plastic may be useful, but it is a killer. It is a really big problem in our world and it needs to stop. As we all know, plastic is NOT biodegradable – which is a big threat to our amazing world and the first bit of plastic ever made is still on the earth today! Shockingly, it is estimated that there are more micro plastic particles in the ocean than there are stars in the Milky Way (micro plastic is very small pieces of plastic that cause a HUGE environmental problem). The biggest problem is single-use plastic which is a type of plastic that you can only use once. For example a cotton bud is NOT reusable.

Unfortunately, animals from the deep depths of the ocean to ones that fly high above the clouds get affected by plastic. In other words, plastic reaches every nook and cranny

### What can YOU do to help?

As always, we would love your help and kindness! Please buy reusable water bottles because things like this can make a big difference to our planet!

At home, we all now have bins which we can use to re-cycle rubbish. Also when you're out and about make sure that you take any rubbish home with you and re-cycle what you can.

Please consider reducing the plastic in our oceans and land.

Let's all help to save our precious planet?

Elizabeth, Year 6

## WELL DONE NORTON JUNIOR SCHOOL !

## NORTON INFANTS SCHOOL – NEW TERM’S ACTIVITIES

### We had a wonderful week celebrating Chinese New Year!

Our classrooms have been buzzing with crafts, stories and sharing new facts. A highlight for us was learning Chinese dances with our very own Mrs Murray.

We brought all this wonderful learning together in a special sharing assembly to show each other all the fantastic things that have been happening in our classrooms – it started beautifully with Miss Tunney’s choir teaching us all a Chinese New Year song and ended with year two performing their dance. A great week has been had by children and staff alike.

### Reception School Trip to Yorkshire Wildlife Park

Our reception year group had a fantastic school trip to YWP this term following on from their jungle topic in school. They visited the giraffes, lions and rhinoceros to name but a few animals!

### Valentine Disco

We held our 2<sup>nd</sup> disco of the school year. The children and staff had a very enjoyable evening of disco dancing and a few snacks! The music was mixed by our very own DJ aka our amazing Caretaker Mr Hayward! We raised over £190 for school fund. We are hoping to raise funds for new furniture for our school library.

### NORTON WALKS

Hope you are all well.

We have been very lucky with the weather so far this winter. We have a good team of walk leaders in the walking club who are very pro-active and ensure we have a variety of scenery and locations. My old saying is 'The chief is no good without the Indians', that applies to any workplace and organization.

Our Christmas festivities went down a treat and we are now in the early stages of our summer holiday preparations for Gilsland, Cumbria. There are still twin and double rooms available. We welcome new members at any time of the year.

We will have a new list of walks out in March. So please contact me on 700892 if you'd like to know more.

Keep smiling  
Cllr Johnny Atkins

### Norton's 3<sup>rd</sup> Annual Scarecrow Festival Saturday 24 August – Monday 26 August 2019

August Bank Holiday Weekend will see the return of Norton's Scarecrow Festival.

Last summer's event once again had fantastic and imaginative scarecrow entries. Despite the traditional bank holiday weekend weather, the event was really well supported over the 3 days and successfully raised an astounding £1,500 for the Motor Neurone Disease Association.

**Thanks to everyone for their support.**

**This year the proceeds from the event will be donated to the Mental Health Foundation, the charity choice of last year's winners Scott Shelton & Clare Dinsdale.**

To take part in this year's event entry forms need to be submitted by Monday 5 August 2019 to be included on the Scarecrow Trail map. Entry forms will be available at The School Boy, High Street, Norton from Monday 1 July 2019.  
Entry fee is £5.00.

Once again all are welcome to join in the judging of the competition over the bank holiday weekend.

In order to do so, Scarecrow Trail maps and scoresheets will be available to purchase for the fee of £2.00 from 12 noon until 2 pm at The School Boy on Saturday 24, Sunday 25 and Monday 26 August 2019.
