BULLCROFT WALKING FOOTBALL CLUB

Walking Football is a great way of increasing your fitness level and meeting new people. Open to all skill levels and for those who haven't kicked a ball in years.

Walking football is football without the running, jogging and physical contact. The game is generally played by the 50 and over age range. Lasting for 60 minutes (2 x 30 min sessions) in a sports hall, the only equipment you'll need are indoor shoes.

Bullcroft Walking Football is held each Tuesday at 11:00 at the sports hall in Bullcroft Memorial Centre, Carcroft. £2 per session.

No invite required, just come along and enjoy an hour of fitness and fun!

PARISH PEOPLE

.....a letter from **KEVIN EDWARDS** who has cycled 985 miles to raise money for the Alzheimer's Society.

Thank you for following up my appeal. I did see the article in the last Parish Magazine and I am extremely grateful to you for the work you did to arrange and ensure its inclusion.

The whole nine days were fantastic from the wonderful scenery throughout - enhanced by a well-chosen route, the friendships made, to the wonderful food, and the riding challenge was pretty much what I had expected, although some quite severe weather conditions (particularly the gales during the Scotland section) made it especially tough on some days.

In fact, many riders did not complete all the days and opted for the comfort of the 'broom' bus. I am happy to report that I did not need to do that and rode all 985 miles (with the exception of about 300 yards that I had to walk up a mountain road on day eight when the gradient was just a bit too much for tired legs - after all, we climbed over 60,000 feet, more than twice the height of Everest, during the nine days!).

The hardest part really, and the most unfamiliar to me, was quickly learning to organize tent-life and getting up at 4:30am while trying to feel enthusiastic about a full (but necessary) breakfast at 5:00am!

The ride raised funds for the **Alzheimer's Society** and I am delighted that currently my total stands at over **£4,200**, much of that donated by friends and neighbours from Norton and district, and well exceeding the £2,200 required by Alzheimer's Society to qualify for the place

Once again, thank you so much for helping with my appeal.

Kind regards,
Kevin

The transformation of Sutton telephone box

The team: Tom Jenkinson, his daughter, Ellie Jenkinson, age 12; helper Ellie Dearman age 9yrs and Nadene Mountain.

Ellie Jenkinson tells the story:

"Walking past the phone box recently, it appeared to look worse and worse so I decided that I needed to paint it before it was too late. I made leaflets and posted them through people's post box hoping someone might want to help to do something good for the community."

"On the day, I decided to paint the telephone box with the help of neighbours on my street, Ellie and Nadine my dad and me painted the first transforming coat of paint, the following week we all met again and painted the final coat but it still did not look quite complete. We then added the finishing touch with the original gold crown, then we knew we had achieved our goal and made our street look so much better by showing its true colours"

Both Ellies will receive an award from Norton Parish Council for their community initiative.

Norton Scarecrow Festival

2019 Results & Thanks

Many thanks to everyone who took the time to get involved In this year's Scarecrow Trail which I am sure you will agree was once again a magnificent success. Thank you to Carl Taylor of Resign Building Products for sponsoring the event this year by providing the prize money, some of which was donated back into the charity fund.

Thanks also to all the local businesses who supported by selling the entry forms, providing raffle prizes; namely The Schoolboy, Room of Beauty, Baps and Wraps, Studio 22 Hair Design, a sweetie cake donated by Debbie & Paul Cauch, plus many other raffle prizes donated anonymously.

Of course, the biggest thanks need to go to the people of Norton who made the scarecrow entries **AND** the 100s of people who once again, took the time during their busy bank holiday weekend to complete the trail and score all 20 scarecrows, which fortunately enjoyed better weather this year. Without all of you the event would not be possible.

One of the aims of the scarecrow festival is to generate a community spirit back in the village. Yet again we received positive feedback from many of the people on the scarecrow trail about how much they enjoyed the social interaction afforded by the event, meeting up with friends new an old whilst out and about on the trail. Long may Norton's Scarecrow Festival continue.

In case you have not heard, the top 4 entries were:

4th place, Super Mario by Michael Cooper

3rd place, Following the Yellow Brick Road by Linda Pickering (and family)

2nd place, The Battle of Norton Common by The Parkhouses, and in

1st place Evie, Trudie and Stanley Robson won with their brilliant entry of Charlie and The Chocolate Factory

Finally, we would like to thank everyone for their generosity during the whole event,

which meant that we were able to raise a phenomenal **£1,187.20** for the Mental Health Foundation.

News of next year's charity will be Dementia UK, as chosen by the Robson family.

Congratulations to everyone having such great ideas ...and to the organisers, involving the whole community over the Festival weekend!

NORTON WOMEN'S INSTITUTE : VILLAGE CRAFT & PRODUCE SHOW 2019

Norton WI held their 4th traditional Village Craft & Produce Show on 1st September this year at Campsall Village Hall. The local community came out in force again, with many more entries. At the first show in 2016 there were just 42 entries in the Horticulture/Floral section, but this year there were 152! Handicrafts entries also went up from 56 in 2016 to 82 this year.

The Show is becoming a regular community event, which as a WI we're proud of – bringing together all sorts of local people and showcasing some amazing talent. When the Hall opened again after judging, there were refreshments, home-made WI cakes and the opportunity to view the prize-winning exhibits, which this year included a whole set of 'veggie monsters' made by teams of our WI members! We were pleased to welcome the Deputy Mayor Paul Mann and his Deputy Mayoress Elizabeth Marsden to take part this year. Then our local vicar, who displays an excellent line in auctioneering banter, auctioned off most of the entries, some for extraordinary prices!

All proceeds go to our chosen charity and this year we raised a massive £1280 for the Yorkshire Air Ambulance to add to the £750 we raised last year. Thanks go to everyone who attended and to all our members who helped with stewarding and catering and contributed to making the day such fun!

Look out for fliers for next year's show at Campsall Village Hall on Sunday 6th September – all entries welcome!

TOP AWARD FOR LOCAL RESTAURANT

"We are super excited and not to mention proud as punch!" Rachel

Of course, we couldn't do any of this without the help and support of our local custom. The village of Norton has been the home of Doris since day one, when a random idea to put on a tea party at the mission rooms came to fruition and quickly became a regular event. After a few events we were getting more than 100 people turning up so thought it may be time to make a more permanent place for this custom. With the help of Kirsty Evans at The School Boy Pub and a grant from the 'pub is the hub' charity, we set to and converted their garage into what we now refer to affectionately as "little Doris". We had 3 tables and a single sofa and set to perfecting our craft. After 6 months it was clear we needed more space and a kitchen of our own, so we made the leap to the lake.

We transformed a cold and dark greasy spoon cafe into a warm and cosy place to welcome our customers old and new. After 12 months in our beautiful new setting we had the opportunity to expand again when the fishing tackle shop closed down. Over Christmas I took a large hammer and personally knocked out the wall between the two buildings (not something I would attempt solo again, haha,, what a mess) but by the 2nd January we were covered in fairy lights and random curiosities ready for business.

Earlier this year we were approached by Eastside magazine to enter 'The best afternoon tea competition' in their 2019 restaurant awards. We jumped at the chance, albeit a little nervously. We make and bake everything on site and adapt lots of auntie Doris' recipes to use. Aunt Doris taught me how to bake when I was a little girl. The team from Eastside arrived and set to enjoying their tea. Nervously we waited for their verdict and true to form they loved it and devoured every last scrap. It then went to public vote and we can't thank everyone enough..... Last week we were crowned the winners and are now proud of our award. Doris has become a dream come true for me. A dream I never thought possible. The inherent goodness of people and local community shines through every day. We love our home here in Norton and look forward to many more competitions and many more afternoon teas.

- Afternoon tea is £14.95 pp and must be booked 24 hours in advance.
- Opening hours are Tuesday -Friday 9:30-4:30 and Saturday 9:30-2:30
- Festive afternoon tea is available from 1st November.
- Crafternoon tea with Christmas wreath making is 30th November £40pp. and must be booked in advance.

My mum has a non-visible disability, which causes her walking difficulties. I heard something on the news about how she may now be eligible for a blue badge. How find out about this and help her apply?

**citizens
advice**

On 30 August, the Blue Badge scheme was extended to people who live in England and have non-visible disabilities or conditions which affect their ability to walk. As a result, your mother may now qualify for a badge.

Your mother will be automatically eligible if she gets certain types of benefits. These include some categories of Personal Independence Payment and the higher rate mobility component of Disability Living Allowance.

If she's not automatically eligible she can still apply for a badge. Her local authority will use evidence from doctors and other healthcare professionals to determine whether she qualifies or not.

Your mother can check her eligibility and apply for a local authority-issued Blue Badge at gov.uk/apply-blue-badge. If she can't do this herself, you can apply on her behalf.

You'll need a recent digital passport-style photo, proof of her identity, address, details of any benefits she receives, her National Insurance number, and evidence of how her non-visible disability or condition affects her mobility.

Friends of Campsall Country Park

Our first display in the park to mark Remembrance Day last year was much appreciated by everyone who saw it. A big thank you to everyone who made and installed the display.

CALENDAR Also new this year is our calendar, displaying Campsall Country Park in all its glory. Again, thanks to all those who kindly donated their photographs. The calendar will be on sale shortly and will be available at local outlets or by contacting us.

PLAY EQUIPMENT Anytime now you will start seeing the site around the play equipment in Campsall Country Park being excavated in preparation for the installation of play equipment for younger children. The site has to be levelled in advance to allow it settle but it is hoped the new equipment will be in place by April 2020. We have worked with Norton Campsall and Sutton Parish Council to secure the substantial funding needed for the scheme.

POP-UP CAFÉ The gazebo that made its first appearance at the Tour de Yorkshire was pressed into service to provide a pop-up cafe in the park on several Sundays this year. There were drinks and light refreshments plus a chance to play football, cricket and tennis. The profits made will help to fund the 2020 Fayre which will be held on Sunday 19th July 2020.

SUMMER FAYRE IN THE PARK **SUNDAY 19TH JULY 2020**

We are looking for ideas and volunteers to make this event even bigger and better so if you have any thoughts, get in touch. If you would like to join the Friends of Campsall Country Park we meet at the Wellingtonia Centre in Campsall on the 3rd Monday of every month at 7.30pm. All are welcome.

UPDATES ... AROUND THE PARISH

The Litter Squad – and a tidier village !

Hello

I am very pleased to say within the last year we have managed to get six more litter bins located throughout the parish.

This time last year one was located at the top of Priory Road, Norton and another on Back Lane, Norton. The second bin was at the entrance to the footpath leading to Broc 0 Bank but has now been moved to the top of Newthorpe Road where I hope it will be accessible to most people.

Just recently four new bins have been located as you said, where they were badly needed. One is by the bus stop just over the level crossing on Norton Common Road. Another is at the entrance to what is called 'Lovers Walk', the footpath into Campsall Country Park from Sutton Road. There is now a litter bin on The Green on the Poet's Estate, Campsall. Finally, a bin can be found at the junction of Back Lane and Spitalrush Lane, Norton.

Hopefully, there is now a litter bin wherever you are walking. I must say that it has been very heartening recently to see so much less litter around all parts of the parish than there used to be. THANK YOU to all those of you that do pick up litter in your locality. It IS having an effect on others. If we all simply monitored our own street and kept that tidy, it would be wonderful.

Please don't hesitate to contact me if you have any comments to make on the subject.

With kind regards

New Defibrillator installed ...

We are pleased to tell you that thanks to the generosity of West End Working Men's Club and a donation from the Parish Council, in addition to the one at the club, we now have a second **defibrillator** installed in Norton Community Hall. It is clearly visible on the outside wall near the entrance.

A defibrillator is a device that gives a high energy electric shock to the heart of someone who is in cardiac arrest.

This high energy shock is called defibrillation, and it's an essential part in trying to save the life of someone who's in cardiac arrest.

You don't *have* to be trained to use a defibrillator – anyone can use it. There are clear instructions on how to attach the defibrillator pads. It then assesses the heart rhythm and will only instruct you to deliver a shock if it's needed. You cannot deliver a shock accidentally; the defibrillator will only allow you to shock if it is needed.

There are trained operatives locally who can be called as follows:

In an emergency when the use of a defibrillator is required -

RING 999 TO REQUEST A PARAMEDIC/ AMBULANCE

Then ring one of the following telephone numbers to request that someone brings a defibrillator to your location:

The Laurels Nursing Home 01302 709691 (11pm to 9am)

The Coronation WM Club 01302 709889

The Schoolboy Pub 01302 707202

Re-painted Play Equipment

You will have been sure to notice that the children's play equipment has had a real facelift at the School Boy play area and the larger area at Spittlerush / West End Road. Both have had a fresh coat of paint and now look much brighter.

The work has been negotiated through Cllr Brian Wood who secured the services of local lecturer **Mark Adams** who volunteered a group of his students from Doncaster College to do the work.

The School Boy pub and the Parish Council shared paint costs but **ALL** the work has been done at **NO COST**. This is a great example of shared generosity and it has revived the equipment pending replacement by new units as part of the Parish Council's development plan.

SPORTING PROWESS!

The girl's and boy's football teams are from a School Games Competition held at the Keepmoat Stadium (the boys reached the last 16 and the girls lost in the semi-finals). The cross-country was also a School Games Competition and was held on the 10th October. In the latter competition, the Y5/6 boys and girls' team have qualified to represent Doncaster at the South Yorkshire finals in February.

NORTON INFANTS SCHOOL

Harvest Festival

We celebrated the harvest festival together singing lots of harvest songs. Each year group enjoyed sharing what they have been learning about harvest. Our contributions weighed a staggering 138.5kg enough for about 301 meals. The donations were given to the Doncaster Food Bank. A big thank you to Father Richard Walton for celebrating the harvest with us.

Harvest Afternoon Tea

This was organised by a wonderful Friends of Norton Infant School made up of parents and grandparents of children in our school. The FONIS organised a very successful Harvest Afternoon Tea. It was lovely to see members of our community as well as parents in attendance. They raised a massive £312.31 for School Funds. Thank you to all the FONIS committee and volunteers who coordinated putting this event on.

Campsmount Sports Coach

A small group of Year 2 children visited Campsmount Academy with other children from Year 1 and 2 from Kirk Smeaton, Askern Littlemoor and Askern Moss Road Schools for a Football Tournament. The children worked extremely hard to win. These activities were led by Campsmount Post 16 BTEC Sport they did an amazing job, delivering exciting activities whilst also developing their Leadership skills. An action packed, fun morning enjoyed by all!

WALK AND TALK ALONG HADRIAN'S WALL

Hello again

We had a lovely group holiday in August in Cumbria, a beautiful area of our country. The weather for our first walk was perfect. We met our guide, David, who took us on a mile walk along the side of Hadrian's wall and into lovely countryside. We were not as lucky the second walk, the rain never stopped!

But all in all, it was a good break with night time entertainment and a few drinks to help us relax afterwards.

We have just completed our First Aid course that covers us for three years and now have eight fully trained First Aiders.

If you care to join our club please contact me with your email address or phone number and you will receive our walking programme.

It's not just the walking it's the talking that is good for our well-being!
